Oswestry Low Back Pain Disability Questionnaire

Instructions

This questionnaire has been designed to give us information as to how your back or leg pain is affecting your ability to manage in everyday life. Please answer by checking ONE box in each section for the statement which best applies to you. We realise you may consider that two or more statements in any one section apply but please just shade out the spot that indicates the statement which most clearly describes your problem.

Section 1 – Pain intensity		Section 3 – Lifting	
	I have no pain at the moment		I can lift heavy weights without extra pain
	The pain is very mild at the moment		I can lift heavy weights but it gives extra pain
	The pain is moderate at the moment		Pain prevents me from lifting heavy weights off the floor, but I can manage if they are conveniently placed eg. on a table
	The pain is fairly severe at the moment		
	The pain is very severe at the moment		Pain prevents me from lifting heavy weights, but I can manage light to medium weights if they are conveniently positioned
	The pain is the worst imaginable at the moment		
			I can lift very light weights
Section 2 – Personal care (washing, dressing etc)			I cannot lift or carry anything at all
	I can look after myself normally without		
	causing extra pain	Sec	tion 4 – Walking*
	causing extra pain I can look after myself normally but it	Sec	tion 4 – Walking* Pain does not prevent me walking any distance
	causing extra pain I can look after myself normally but it causes extra pain	Sec	Pain does not prevent me walking any distance Pain prevents me from walking more than
	causing extra pain I can look after myself normally but it causes extra pain It is painful to look after myself and I am	Sec	Pain does not prevent me walking any distance Pain prevents me from walking more than 1 mile
	causing extra pain I can look after myself normally but it causes extra pain It is painful to look after myself and I am slow and careful	Sec	Pain does not prevent me walking any distance Pain prevents me from walking more than
